

Advancing climate-resilient  
low emission development  
around the world

# LEDS Global Partnership

**Ron Benioff**  
**Co-Director**  
**LEDS GP Secretariat**

**[www.LEDSGP.org](http://www.LEDSGP.org)**

Asia LEDS Forum  
June 2016

# LEDS Global Partnership

LEDS GP Catalyzes Action and Collaboration Across more than 200 Countries and International Organizations

## REGIONAL PLATFORMS

Define priorities and conduct peer learning and collaboration

## GLOBAL WORKING GROUPS

Provide technical support and training

## LEDS GP SECRETARIAT AND STEERING COMMITTEE

## Planning and Subnational Integration

## Analysis Tools – Benefits Assessment and Communications

## Finance - Investment instruments, Public funds allocation, Donor financing

## Sectors - AFOLU, Energy, Transport, Waste (with CCAC)

# LEDS GP Resources and Services

## ➤ Peer Learning, Trainings, and Tools

- Regional and global level events (online and in-person)
- Toolkits on energy, transport and benefits assessment
  - **Coming soon:** 1) Energy and development atlas – [energy@ledsgp.org](mailto:energy@ledsgp.org) and 2) Fact sheet series on LEDS benefits

## ➤ Advisory Services and Early Movers Support/Replication

- No cost expert assistance to countries through REAL - <http://www.asialeds.org/what-is-real/>
- Early mover technical support on urban low emission transport measures and via NDC Investment Accelerator

## ➤ Support to Champions and Communities of Practice

- Fellowship program - **submit applications by July 1st**
- LEDS Awards program
- Success stories, leadership examples, and communication materials
- Clean Energy Grid Integration Network in Asia

# Examples of Technical Cooperation Activities

## ➤ Remote Expert Assistance Service

- **Indonesia** on rural electrification projects including RFP development, regulatory structures, financial and technical feasibility studies.
- **Philippines** on developing benchmarks on energy intensity for government buildings.

## ➤ NDC Investment Accelerator Project

- Partnering with **Vietnam** and soon with **Philippines** and **Bangladesh** on policies and measures to mobilize private investment for NDC and LEDS priorities
- Advisory support to all countries and regional peer learning

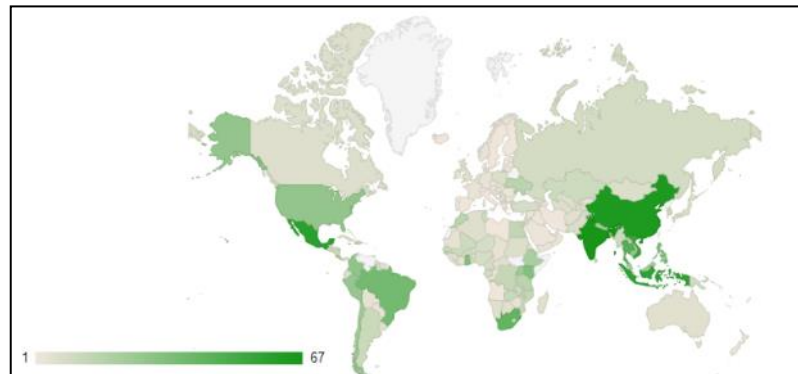

## ➤ LEDS Asia Transport Initiative

- Technical support and peer learning on LEDS transport measures
- With **Thailand, Singapore, and Vietnam** (pending APEC approval)

# Potential Future LEADS GP Directions

- **Continue Core Activities** - LEADS Learning, Advisory, Technical Cooperation, and Community of Practice and Champion Support
- **Expand Support to Early Movers** and replication of leadership examples
- **Deepen Assistance on LEADS and NDC Implementation** – Especially policies and investment measures
- **Explore Learning and Resources on Mid-Century Strategies**
- **Your Suggestions**

# Become an ALP and LEDS GP Champion

- Lead and engage in activities and propose new efforts
- Join the ALP, LEDS GP, and working groups at <http://www.asialeds.org>
- Request expert advisory support
- Access additional LEDS resources at [www.LEDSGP.org](http://www.LEDSGP.org)

This site is supported by the Asia Low Emission Development Strategies (LEDS) Partnership, a regional platform of the LEDS Global Partnership. [Read More](#)

## Country Profiles [View All](#)

Profiles of low-emission policies and plans, as well as country-specific news and projects.

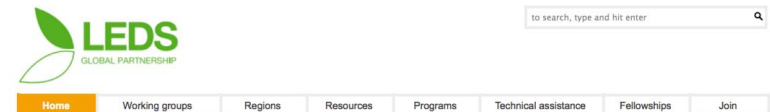

## News & Views [View All](#)

This report highlights key activities that the Asia LEDS Partnership has accomplished in 2012-2015 to support members on LEDS and green growth, and to establish a foundation for continued collaboration and service to members in years

## Low Emission Development Strategies Global Partnership

Advancing climate-resilient, low-emission development around the world

### About LEDS GP

### Working groups

- Agriculture, Forestry and Land Use
- Benefits Assessment of LEDS
- Energy
- Finance
- Subnational Integration of LEDS
- Transport
- Waste Management

### Latest news [view all](#)

- Climate Finance Workshop 2015**  
This regional workshop will bring together key stakeholders to share experiences on effective ways to accelerate investment in low-emission development in agriculture – particularly in the crop production and processing sub-sector. [\[more...\]](#)
- LEDS and the rise of Non-State Actors: Where, who and what**  
This webinar looks at the commitments made by subnational Non-State Actors of cities, regions and companies to climate mitigation, and what the emergence of non-state actors means for the overall climate situation. [\[more...\]](#)  
1pm, September 30, 2015
- LEDS GP Annual Event 2015**  
The fourth annual global workshop of the LEDS GP will be held on October 14-16, 2015 at the Melia Caribe Tropical Hotel in Punta Cana, Dominican Republic. [\[more...\]](#)
